

Privacy Policy

LAST UPDATED: August 30, 2021

This Privacy Policy (the “Privacy Policy” or “Policy”) describes and regulates all services on the Website, processing and use of your personal data on the Website.

By accessing or using the Website means that you have read, agree and consent to the data collection and use practices described in this Privacy Policy.

Information We May Collect

The information we may store only what is required and absolutely necessary for us to provide the Website and support to users of the Website, whether the information you gave to or the one we collect.

Personal Data

Personal data or personal information is all the information that identifiable an individual but not including data where the identity has been removed (anonymous data).

Anonymous Data

We may share and disclose your anonymous data with service providers or with others we conduct business with. In addition, we may further integrate your anonymous information with data from other visitors in order to develop our Website.

To understand how the Website is used, we may use statistical data or demographics for our understanding of the user's view to improve the Website and to analyse usage patterns.

Usage Data

Usage data will automatically be collected whenever you visit the Website. This information may be collected either by us or the third-parties, including but not limited to, your IP address, browser type and version, the pages of the Website that you visit, time zone setting, country, the time spent on those pages, operating system, unique device identifiers, and other non-personal identifiable data.

Purpose for Collecting Your Personal Data

We may collect and obtain your personal data for the purpose of:

- Provide and maintain the Website;
- Provide support, respond to your comments, questions, or issues related to bugs or errors with the Website;
- Detect, prevent and spot technical issues;
- Surveys and get feedback;
- Send information, news, updates, special offers and other marketing materials about the services and events, available through the Website, unless you have opted to not receive such information;
- Prepare any legal and regulatory requirements when required.

Consent

Consent is required for the collection of personal data and the subsequent use or disclosure of personal data. By accessing or using the Website, you signify your agreement to our Terms of Use and Privacy Policy constituting your consent to the collection and use of personal data as described in this Privacy Policy. We are rightfully to use and disclose personal data without noticing you or consent as permitted by applicable law.

Disclosure of Personal Data

We have all the right to disclose personal data when we found that it is proper or needed to enforce our Terms of Use, take precautions against liability or harm, to investigate and respond to third-party claims or allegations, to respond to a court order, law enforcement or other government official requests, for security or integrity of the Website and to protect the rights, property or to secure the Website, our usage or whatsoever.

We may share or disclose aggregated or anonymised data with service providers or with others for their own uses, including but not limited to, potential third-parties.

The personal data that you gave to us might be delivered to our service providers, contractors and anyone else who makes improvements to our services for any of these purposes. We use personal data for indicating the time you have us such data, and/or otherwise for the purposes set out in this Privacy Policy and/or as otherwise permitted by law. We may make available the personal data that you provide to us to our service providers, contractors and anyone else to enable them to perform certain services or tasks for us for these purposes.

Third-Party Service Providers

All third-party services are regulated by their own terms of service and privacy policies. We have no control and will not take any responsibility for the content, policies, services or practices of any third-parties.

We may use the third-party services to facilitate services, provide services on our behalf, perform service-related services or help us understand how the Website is used.

We may also use third-party service providers to monitor and analyse the use of the Website.

Access and Change to Personal Data

You have the right to access your personal data that we collected, and also to erase or rectify incorrect data. In case you want to exert these rights, please contact us at developer@acet.finance

Your identity verification is needed for your protection in order to ensure that personal data is not disclosed to any person who is not permitted to receive it.

Returning the request will take place only when it is not inconsistent with our legal and regulatory obligations and compliance procedures.

Data Security

We will give you the best effort to protect your data and will take reasonable steps to protect your personal data from misuse, loss, unauthorised access, modification or disclosure, including implementing appropriate security measures. You acknowledge that no method of transmission and storage over the Internet is completely secure.

You clearly understand that the information that you provide to us is at your own risk. The security measures in place might be reviewed in line with the legal and technical developments.

However, we cannot guarantee that these followings will not occur while we strive to use acceptable means to protect your personal data, i.e. misuse, unauthorised access, disclosure, modification, or loss of data, through events, including but not limited to, hardware or software failure, internet or wireless connection, emails or any unauthorized use or access.

Data Retention

We may anonymise your personal data in order to dispose of it, delete it or take other appropriate steps and will retain your personal data if necessary only, and for any legal and regulatory requirements.

Upon request to delete your data, we still may retain your information for maintaining the Website or to comply with any related laws.

Cross-Border Transfer

Personal data may be transferred to, stored at and processed by us or others outside the country in which you reside, or under other jurisdiction, where the data protection and privacy laws may differ or not offer the same level of protection as those from your jurisdiction.

We will ensure that your data is secure and in accordance with this Privacy Policy. Submission of your data to us via using our Website means that you represent your consent to such transfer.

External Links

We may contain links to other websites, services and resources or third-parties, and we have no control over the third-parties and we will not take any responsibility for the conduct of third-parties linked or integrated within the Website. You should read the privacy policy and terms of use of any third-party carefully before using.

Modifications

We have all the right at our sole discretion, to modify, amend or replace this Privacy Policy at any time. We will notify the update at the top of this Privacy Policy if there are any modifications. Any such modifications will take effect right away when updated on the Website.

You understand and agree to accept all the changes. If you do not agree to the updated Privacy Policy, you should quit the Website immediately. To make sure that you are aware of all changes, we recommend you to check this Privacy Policy constantly.
