

# Terms and Conditions

LAST UPDATED: March 15, 2025

This User Agreement (the “Terms” or “Agreement”) sets out all the terms for the access or use of our “Website”. You agree to be obliged by this Agreement and all applicable laws and regulations, whether local or international.

To access or use the Website, users must comply with the terms and conditions of this Agreement and all applicable laws and regulations.

**Please read this agreement carefully before you access or use the Website. If you do not agree to any part of this Agreement, you are not authorised to access or use the Website.**

## Access to the Website

This Website is provided on an “as is” and “as available” basis only. Access may be interrupted, suspended or restricted because of an error or unforeseen circumstances or because we are in the maintenance process. Which means we do not guarantee that the Website or any included content on it will always be available or uninterrupted.

We have all the right to terminate your access and use of the Website with our own decision any time to limitate the user’s availability of the Website in any geographic area or jurisdiction that we decide to. Your access to direct communication and interaction with the decentralised protocols on the blockchain will not be interrupted by this action.

Digital wallet is required in order to access our Website. You can choose your own wallet that is provided by external providers and that means you agree to the terms of those external providers. Your access to the wallet relies on the external wallet provider operation.

The use of the Website or decentralised protocols may be subject to a fee. Make sure that you have sufficient funds to complete any transaction before you interact with the decentralised protocols or any other protocols or services.

You acknowledge and agree that the fees may be higher than originally stated, and that we have no control over the network fees, the method of payment of transactions, or the actual payments of transactions. Due to circumstances beyond our control, the transaction fee may be cancelled without refund or the transaction may be delayed due to the blockchain network.
